SPECIAL CLEARANCE – Hand-Painted Wall Shields

During the year our regular Heraldic Artist retired after 35 years hand-painting Heraldic Wall Shields. To continue with this very popular and unique product, we have now engaged a new Heraldic Artist to continue production for us. The latest style of hand-painted Heraldic Wall Shield can be seen on our web site in the 'HERALDIC & CLAN' Product Category.

This leaves us with a number sample stock hand painted wall shields of the discontinued style, so to clear we are offering them for sale at rates **below cost and well below their previous retail**. As previous sample, these shields are only available in the names shown. All are in very good condition as they have been only hanging on the wall in our Montville shop.

If it happens that you have a name as one of our samples, or you have a friend of that name, you can pick-up a genuine bargain at the prices advertised.

Alternately, we can have these shields re-painted showing the Heraldic Arms associated with your family name at a reduced rate using this base stock.

THIS IS A ONE ONLY OFFER. ONCE THESE SHIELDS ARE SOLD, EITHER AS THEY ARE OR AS RE-PAINTS – REGULAR PRICES WILL HAVE EFFECT.

REGULAR HAND-PAINTED WALL SHIELDS - AS CURRENTLY SHOWN ON OUR WEB SITE - CONTINUE TO BE AVAILABLE IN THE STYLES, SIZES AND PRICES SHOWN.
