

Area of Responsibility: Competitions

Effective Date: Tuesday 14th September 2010

There are three different types of transfers included on the BQ Transfer Form. Details on each of these transfers and who they apply to are listed below:

- **Permanent Transfer** – players are to tick this box on the Transfer Form if they are ceasing to compete in any form at an Association and will be competing at a new Association whether it be for Club or Representative Basketball.
- **Transfer of Competition Rights for Representative Basketball** – If a player is choosing to remain at their primary association for Club Basketball but is moving to another Association for Representative Basketball they must tick this box on the transfer form. This transfer is seen as a permanent transfer of Competition Rights for Representative Basketball. If a player wishes to return their competition rights for Representative Basketball to their primary association in following seasons they must complete the transfer form with the Current Association being the Association in which they currently have their Competition Rights at.
- **Temporary Transfer for State Championships** – If a player is playing for a different Association at the State Championships they must tick this box on the transfer form. This is seen as a temporary transfer with all membership rights returning to the primary association at the completion of the State Championships.

If a player falls into any of the above mentioned transfer categories and does not complete a transfer prior to any Basketball Queensland representative seasons commencing, the team that player is now playing for will forfeit premiership points for games in which the un-cleared player has participated (i.e. listed on the scoresheet).

Procedure for Player Transfer:

1. Player to complete Section 1 – Personal Details & Player Request of the Transfer Form and pass on to Current Association for Approval
2. The Current Association has 7 days to complete Section 2 – Transfer Approval from Current Association of the Transfer Form and pass the form on to Basketball Queensland for approval, unless a reason can be given not to clear the player. Grounds for a refusal to clear the player are:
 - The player has outstanding property or money due to the association; or
 - Suspension following a tribunal hearing.

Please note an Association Official must sign off the form not a Club Official.
3. Once received by Basketball Queensland a BQ representative will complete Section 3 – Transfer Approval from State/Territory Association and send it to the future association and keep a file for Basketball Queensland.

Please note there is a 7 day processing period for all clearances received by Basketball Queensland
4. If 14 days have lapsed (since first lodging the transfer with the Current Association) without the new association receiving the transfer the player can contact the Basketball Queensland Competition Manager to ensure it has been received and processed. If the Transfer has not been received by Basketball Queensland the BQ Competition Manager will then contact the clearing Association to determine if there is a valid reason for the delay. If there is not a valid reason, the transfer may be approved by the BQ Competition Manager without any further reference to the clearing Association.
5. A player may not take the court until the transfer has been received by the new association.
