Wildgeese Environmental Policy

(ISO 14001 Clause: 4.2)

Wildgeese are committed to minimising the impact on the environment whilst achieving the highest performance in delivery of services. The aim of this policy is to establish the principles of environmental protection to be employed within Wildgeese.

Consistent to this, Wildgeese will:

- a. Establish procedures that minimise waste.
- b. Set achievable targets and objectives.
- c. Strive to continually improve the Environmental system.
- d. Remain compliant and up to date with the standards & legislation.
- e. Reviewing and implementing Environmental manuals, plans, policies and procedures.
- f. Establish recycling procedures.
- g. Establish procedures to ensure that all non-essential electrical devices are turned off when not in use.
- h. Minimise the consumption of office stationary through maximisation of electronic media storage.
- i. Prevent the escape of hazardous substances into the environment.
