Wildgeese Quality Policy

(ISO 9001:2008: Clauses: 5.3)

It is Wildgeese’s policy to provide all customers with a prompt, safe and efficient service, consistent with the need for the demanding environment of the building industry.

The Company is totally committed to achieving the highest management standards, having taken into consideration all aspects of our operation and current working practices.

The Company aims to remain one of the region’s leading building and maintenance services company through the active participation of all our staff in always striving for continuous improvement and innovation.

As the integrated system develops, it will provide data on the performance of the Company in relation to meeting the needs of the customer. This data will be used to set quality objectives that are quantifiable and these objectives will be communicated to all personnel.

These high standards and objectives will be achieved by operating to a standard that meets the requirements of the International Quality Management Standard (ISO) 9001: 2008.

Compliance with this policy and other company policies and established processes is mandatory and binding upon all of our personnel. Quality is the responsibility of everyone working for and on the behalf of Wildgeese

This policy and these objectives will be reviewed on a regular basis to ensure their continued suitability and achievement.
